Dear Mudgeeraba State School Community

The start of the school year has gone extremely well with our students actively engaging in the amazing breadth of learning opportunities that our school has to offer. As I have been walking around the school and visiting classes I have been impressed by the level of student engagement, behaviour and learning that is taking place.

Commonwealth Games Gold Coast 2018

Today, Commonwealth Games Mascot Borobi visited our school as part of the build up to the Commonwealth Games being held on the Gold Coast next year from 4 April 2018. Over 6,600 athletes and team officials from 70 nations and territories will converge on the Gold Coast for this 11 day sporting and cultural event. As part of the Gold Coast Schools Connect Program, a GC2018 initiative that links local schools with every nation and territory in the Commonwealth, our school has been partnered with Kiribati (pronounced Kiribas). Kiribati is officially a Republic and is made up of a series of 33 coral atolls and islands. Kiribati’s first ever gold medal was won at the 2014 Commonwealth Games in the sport of weightlifting. With a permanent population of just over 100,000, Kiribati will appreciate the extra support offered by our school community at next year’s Commonwealth Games.

Support your School - Become a Member of the P&C

We are fortunate to have a hardworking and dedicated Parents’ and Citizens’ Association (P&C) that works tirelessly to provide services, facilities, resources and events for our school community. Their hard work over previous years has helped to provide our kids with air-conditioned classrooms, fans for the hall, vegetable gardens throughout the school and services including the Tuckshop, Uniform Store, discos, Mothers’ and Fathers’ Day stalls and many other community activities. The P&C also take an active role in schoolwide decision making and is a valued educational partner providing advice and suggestions on a range of matters. The P&C generally meets on the third Thursday of every month at 6:30pm in the school office and I encourage you to support your P&C by attending the meeting this evening, Thursday 16 February.

School Disco

The first of our discos for 2017 will be held on Thursday 23 February from 5:30-7:30pm in the School Hall. The Hall provides a safe and secure venue for our students to bust their dance moves. Tickets can be pre-purchased next Tuesday 21 February and Thursday 23 February from 8:30 to 9:00am outside the P&C office, alternatively an entry fee of $4 per student or $10 for a family can be made at the disco entry. Please note that this is a student only event.

The Hall Canteen will be open on the night with a sausage sizzle, drinks, lolly bags and ice blocks being available for purchase. The disco is supervised by parent and staff volunteers with parents wanting to stay needing to register as a volunteer with the P&C by contacting Zoe Lockley in the office or by email pandc@mudgeerass.eq.edu.au. A reminder that all children must be dropped off and picked up by a parent/carer at the Hall. Children will not be permitted to leave without an adult. A smart casual dress code will apply - no thongs or roller shoes!
Student Leader Induction Assembly

On Tuesday 28 February at 9:10am in the School Hall we will be holding our Student Leader Induction Assembly. Students who have been successful in obtaining a leadership position for 2017 will be announced and presented with their leadership badges. We extend an invitation to all parents to attend this event.

Before and After School Expectations

With the first bell ringing at 8:50am, students should aim to arrive between 8:30am to 8:50am, unless they are involved in a supervised before school activity, as supervision is minimal before this time. In the afternoon, the bus stop and crossings are usually supervised to about 3:20pm. Our ovals and playground equipment are out of bounds to students before and after school as our dedicated staff are busy preparing lessons for learning.

Amaze Active runs before and after school care in the Hall at Mudgeeraba State School and other local care providers run similar programs to assist families needing before or after school care. As we care for the safety of our students, those who arrive prior to 8:15am and are not engaged in a before school program are to wait in the Tuckshop area, with students not picked up by 3:20pm to wait at the flagpole at the front of the office.

Your cooperation in dropping off and picking up your children close to the bell times of 8:50am and 3:00pm, or making alternate care arrangements is appreciated.

School Spell Off Competition

Term 1 each year our students in Years 1-6 are challenged to learn a list of year level appropriate spelling rules and words in preparation for our School Spell Off. From the beginning of March, students will compete against each other in their classes and then across their year levels to determine our 2017 Spell Off Champions. Over years past, our Champions have often demonstrated knowledge of spelling 2-3 years above the expected year level curriculum. Further information including spelling lists are currently being sent home with your child.

Storm Season

We care about the safety and wellbeing of our students and community and it is timely to remind you of our procedures in the event of storms or imminent flooding in the local area. In the event a storm threatens the safety or wellbeing of our students we will enact our Emergency Response Plan which may include a Lockdown. If this occurs at pick up time, the bell will not be sounded and students will stay in their classes until it is deemed safe to depart. A broadcast to our community via text messaging will alert parents to this concern and response. If we are alerted to likely flooding of the local area, such as roads and properties being cut off, we may advise staff and families via text messaging to collect students early from school to ensure people can safely get home.

With storm season upon us, please ensure your family has an emergency kit ready and that your contact details are up to date with the school office.

Religious Instruction

As previously advised, students in Years 1-6 at our school whose parents nominated a religion upon enrolment and those who have opted in commenced Religious Instruction lessons today. For further information regarding your child’s inclusion in Religious Instruction, or your rights to opt in or out, please refer to our school website by clicking on the link below.

http://www.mudgeerass.eq.edu.au/

Upcoming Events

- **Thursday 16 February:**
  - Religious Instruction commenced
  - Commonwealth Games Mascot ‘Barobi’ visited
  - P&C Meeting (all welcome) 6:30pm in the school Administration building

- **Monday 20 February:**
  - Year 3 Starlab incursion $9.50

- **Thursday 23 February:**
  - Year 2 and Year 3 Bravehearts Ditto Show (protective behaviour) incursion - school funded
  - 1FR, 1M and 1BP at David Fleays Wildlife Park excursion $18.50
  - 1E and 1RW at David Fleays Wildlife Park excursion $18.50

- **Tuesday 28 February:**
  - 2Y, 2B and 2O at Beenleigh Historical Village $18.50
  - 9:10am Student Leader induction assembly (badge assembly)

- **Wednesday 1 March:** School Spell Off Competition commences

- **Thursday 2 March:**
  - 2K, 2R and 2Q at Beenleigh Historical Village $18.50
  - Whole School Celebration Assembly at 2:10pm in the hall

- **Friday 3 March:** Interschool Sport sign up day

- **Monday 6 March:**
  - 5S and 5DS at Newstead House ‘colonial’ excursion $30

- **Tuesday 7 March:**
  - 5K, 5R and 5C at Newstead House ‘colonial’ excursion $30

- **15-17 March:** Year 4 Camp Burleigh

- **Thursday 16 March:**
  - Sector Assemblies P-2 @ 9am and 3-6 @ 2:10pm in the Hall
  - 6J and 6S at Parliament House excursion $12
  - 6:30pm P&C Annual General Meeting in the School Administration building

- **Thursday 23 March:**
  - 6B and 6K at Parliament House excursion $12

- **23-24 March:** School Photos

Regards

Mr Daniel Duke, Principal
Calendar of Events

To find out what events and activities are happening at Mudgeeraba State School parents are encouraged to download the QSchools app or view the school webpage at the link below. All school events posted on our school webpage are linked to the QSchools App. The QSchools app is a convenient way to receive up-to-the-minute information from Queensland state schools.

http://www.mudgeerass.eq.edu.au/

How do I download the QSchools app?

To download the app visit the application store for your device:

- iPhone/iPad
- Android
- Windows phone
- Windows PC

Features

The app integrates with the department’s preferred school website platform, allowing users to:

- Find and favourite our school by searching for Mudgeeraba State School by name, searching a map or by searching for schools near your current location
- receive real-time notifications about state-wide emergency alerts as well as school push notifications and important updates through the app
- access the latest news, events and newsletters from our school
- easily access our schools tuckshop and uniform shop information.

The app can manage updates from multiple schools which is useful for parents who have students in different schools.

Push notifications

QSchools push notifications are here!

Push notifications will allow your favourite Queensland schools to push essential information directly to your device, including notifications of upcoming events and emergency alerts and important updates.

To receive push notifications, download the QSchools mobile app or ensure the app is up to date if you already have it.

From Prep

PC - Cheeky Chihuahuas

Our new Prep students in Cheeky Chihuahuas have been busy settling into school and class routines. We have begun to work in small groups for maths and literacy activities having fun while we learn. We read the story “10 Apples up on Top” then we tried to see how many bean bags we could balance on our heads. We have also cooked apple muffins where we explored solids and liquids and learnt all about safety in the kitchen.

From Year 1

1BP - Busy Pencils

Everyone is starting to settle into our new routines and expectations. We are working hard on concepts we know and developing new ones. In maths our focus has been on teen numbers. We now know that teen numbers all start with a one because they have ten in them. We have spent some time on using hands-on materials to make our ten and then count on our ones. It has been hard work made fun with a variety of activities. We are now putting our knowledge to use with teen number of the day. Have look at our photo gallery!
From Year 2

2Q - The Responsible Roos

The Responsible Roos are making steady progress as they settle into Year 2. Students have been making new friends and are preparing for a busy and exciting year. Here are some photos of them taking advantage of our swimming pool during the recent hot weather. All students participated in their swimming lesson with enthusiasm and maturity and most importantly they had fun.

From Year 3

3B - Golden Kids

Golden Kids have been consolidating their learning on “place value” by taking part in a range of activities. They used different materials such as MAB blocks, place value charts, number expanders and number cards to consolidate these concepts.

Using the number expanders, students wrote how many hundreds, tens and ones there are, using different numbers. They were able to identify the values of these numbers by using the expanders.

By using the MAB base 10 materials students were able to partition numbers presented on a chart and create their own numbers. The children were able to show how a number can be represented in different ways by partitioning a number into place value parts.

Some students also used a place value chart in order to identify digits in the hundreds, tens and ones place.

From Year 5

5C - Courageous Conquerors

Courageous Conquerors in 5C have been working on sizzling starts to narrative writing:

“Run!” I screamed as I pushed through the shrubs. Suddenly the rumble of the bush stopped. I knew it was out there staring at me with its bloodshot eyes. I know it’s the king of the jungle, but this one was worse.

By Cooper

As I look around in the gloomy black darkness I see nothing. As I hear whispering and the bushes are shuffling I see dark red eyes. As the red dark eyes vanish away from the bushes I yell once more.

By Patricia

The world around me fell into a twilight of blackness. The cold enveloped my body and my heart sank. I lay on the rocky ground, looking upwards into the looming colour that surrounded me, "where am I?".

By Lillian

Scream! The darkness grabbed me so I started to run as fast as I could. Suddenly I stopped in front of a tree. I looked around. A beam of light shone upon me. I sprinted as fast as I could.

By River

I peer around but the darkness of the night has spread over the sky and there is nothing to see. I take another step and tumble over a tree root.

By Abby

From Year 6

6B - The Brainy Bunch

Team 6B, the Brainy Bunch have started the year with a bang. Times Table challenges have seen multiples of 3, 4 and 6 flying around the room like kites in a tornado. Times Table Bingo and Battletimes (modified Battleships) have seen fierce competition, ending in bulging brains - with only the occasional victory dance. Our class rules of always trying our best and being respectful, organised and independent learners have seen students showing great promise for their final year of Primary schooling. We have enjoyed the occasional fitness session outdoors, engaging in physical training to complement our mental training. There have also been creative elements.

Our Rockstar writing sessions have seen us climbing trees, launching over entire cities on our bicycles and hearing news stories as to why sharks have been found on people’s roofs. In Science students have been taking Barometer pressure readings and as you can see from the photos we also have some talented artists. As our students begin their Arts Extension programs, we see Vocal, Dance, Drama and Visual artists emerging. We’ve also had students attending District Netball, Athletics, Soccer, Swimming and AFL this week. All the best to them.
I congratulate all the students across Grade 6 for their professional start to the year, particularly those that applied for leadership positions. There were several students that missed out on roles, but to their credit, all students took the news well and I look forward to a great 2017 with such an independent, respectful and talented group of Year 6 students.

From our Chaplain

A bright and cheery ‘welcome back’ to all of our school students and families, and a big ‘hello’ to all of our new families too. As we journey together through the school year here at Mudgeeraba State School, I know there will be many happy and memorable moments for us all. There are so many opportunities for learning and growth, that I’m sure we’ll all share a giggle or two somewhere along the way.

Here are some of the ways I support our students:

- I provide and facilitate pastoral care for students, families and staff,
- I provide support in cases of bereavement, difficult family relationships, or other crisis and loss situations,
- I assist at-risk students through specialist support programs, such as Drumbeat, Boy Time etc,
- I support and participate in school activities such as camps, sports, induction programs, leadership programs, special events, swimming programs, and school ceremonies,
- I participate in and/or facilitate holiday camps and activity programs, and
- I support students exploring their spirituality, only upon request from a parent or guardian, regardless of student’s faith or beliefs.

“Chaplains provide a listening ear and a caring presence for kids in crisis, and for those who just need a caring, supportive adult.”

Please feel welcome to drop by and say hello some time. I’m at school Mondays and Thursdays, and my office is located just down from the Tuckshop in the O’Shea Centre, or I can be reached by email at adrian.young@chappy.org.au or by mobile on 0416 100 710.

If you’d like to take advantage of some great local groceries services, why not try the Food Market at Mosaic Baptist Church. They do a great deal for $25, which is roughly half of what you’d normally pay elsewhere.

The Food Market is opened every Thursday, and is manned by a handful of locals who just want to do something useful for their community.

Our Mudgee State School, Year 4 annual camp utilise the fabulous facilities and services of CYC Camps Burleigh (Christian Youth Council Camps) each year. Students have a wonderful time involving a range of water sports, sleep outs, and leadership activities that always provide for lasting memories for years to come.

If you’ve ever considered the option of holiday camps, may I highly recommend CYC. It’s a fun alternative for a school holiday activity.
2017 Voluntary Contribution

Mudgeeraba State School is pleased to be able to extend to you the opportunity to contribute to our Voluntary Student Contribution. This Voluntary Contribution is not be confused with the Learn to Swim Contribution.

The major purpose of this Voluntary Contribution is to provide financial assistance so that the school can more efficiently:

- Provide broad curriculum options to all students;
- Supplement purchase of consumable resources which are used to ensure real life learning experiences for students across key learning areas;
- Have increased access to Information and Communication Technologies.

Our students participate in learning programs that prepare them to be lifelong learners. Your support of this voluntary contribution provides our students the best possible opportunities to reach their full potential.

Additional information regarding the Voluntary Contribution is attached for your information.

- Voluntary Contribution is:
  - $75.00 per student per year
  - $55 for second student in family
  - $45 for all other students in family
- Prep students contribute an additional $30 per student per year

Payments can be made by direct deposit or by cash/Eftpos at the payment window on Mondays, Wednesdays or Fridays from 8.00am-10.00am.

Should you require any further information regarding the Mudgeeraba State School Voluntary Contribution please feel free to contact Administration.

Please be advised that payments for Excursions, Incursions and School Camps will NOT be accepted after the cut-off date.

To ensure that parents/caregivers are given as much notice as possible your child’s teacher will receive regular finance reports showing who has/has not yet paid, excursion cut-off dates will be published fortnightly in the newsletter, the school office will send a text message to relevant year levels to remind parents of the cut-off dates and communication will be made to parents/caregivers by the class teacher if payment remains outstanding prior to the cut-off date.

To assist families in making sure payments are made prior to cut-off dates, parents/caregivers are able to make deposits into the school’s account to accumulate a credit balance which can then be applied to excursions, incursions and school camps as they arise. This credit balance can also be achieved by arranging a Centrepay deduction. Please come to the school office to complete a Centrepay Deduction form.

If paying for excursions etc. is financially difficult, please speak with one of the Deputy Principals before cut-off dates.

The Payment Window is open on Mondays, Wednesdays and Fridays between 8am to 10am ONLY. Cash or Eftpos will not be accepted at any other time.

For your convenience internet banking can be made at any time - Please note that Direct Deposits must be made at least 2 days prior to the cut-off date. If your payment has not been received by the cut-off date your child will not attend the excursion, incursion or camp.

Administration of Student Medication

Administering Medication at School

If your child requires staff to administer medication to your child at school, please contact the school office in the first instance to discuss your child’s requirements.

Please note, school staff will only administer medication that:

- Has been prescribed by a qualified health practitioner (e.g. doctor, dentist);
- is in its original container;
- has an attached pharmacy label.

Office staff will ask you to complete and sign Section 1 of the Administration of medication at school record sheet.

N.B. If your child requires more than one medication, you will need to complete a form for each medication.

Providing Medication to the School

Before you provide the school with your child’s medication, check the expiry date to ensure it is in-date and there is enough for the agreed time period. It is also a good idea to take a note of the expiry date so that you can replace the medication before it expires.

Please note, school staff will not administer medication that you can buy over-the-counter at chemists and supermarkets (e.g. paracetamol, eye drops, cough syrup) unless it has been prescribed by your child’s qualified health practitioner. For example, the school would administer paracetamol to a student only if it has been prescribed by their dentist to be taken for a short time after dental treatment.

School staff are bound by these regulations and we hope that all parents will acknowledge and cooperate with these rules.

It is safer for all students if you can provide medication to the school in person (rather than send medication with the student). If you can’t provide the medication in person, contact the school to determine the easiest and safest approach for the school to receive the medication.

If you believe your child is capable of self-administering their own medication at school, please contact the office.

When your child’s medication is no longer required to be kept at school, please collect all unused medication.
A message from our President

A warm welcome back to everyone as the 2017 school year gets underway. I would like to extend a special welcome to all new parents and children with whom we will be meeting for the first time or who are transferring to Mudgeeraba State School. Thank you for choosing our school to provide your child with the best education possible.

2017 will be a very exciting year for our school and the P&C. We currently have two projects under way. New equipment is being purchased for the Music Room and our new oval is being built. Our new oval will be ready for use in time for the start of Term 1.

2016 was another good year for fundraising. The P&C raised over $50,000 towards our new oval project. These included:
- Air drum units for the remaining classrooms
- Sun遮阳伞 (遮阳伞) program for senior students
- Science music - $20,000

Every year we also give a $100 cash contribution to each class to allow teachers to purchase items that are not covered in the school budget.

These volunteer roles are a way of giving back to the school and helping to support our community.

Our volunteer roles are a way of giving back to the school and helping to support our community.

P&C AGM

The P&C AGM will be held on Thursday 16th March in the staffroom from 3:30 pm. You are welcome to attend and refreshments will be provided. The AGM conclude with a special meeting from 4:00 pm.

School Disco

The new menu for 2017 has been sent home with all students. Please ensure you order from the current menu and enter your order by the due date of 16th March. In 2016 we used to accept orders for the disco. In 2016 we used to accept orders for the disco. In 2016 we used to accept orders for the disco. In 2016 we used to accept orders for the disco. AMAZE Active

What's happening at Amaze

During the past two weeks we have had so much fun playing and exploring with our friends. Our program is always a combination of both child initiated and teacher led activities and a lot of the time we just go where the mood takes us. Free choice and open ended activities are at the heart of what we do, and wherever we can incorporate their interests we will.

For example, Mr Sam is sharing his art skills with one of our new Prep students who absolutely loves Teenage Mutant Ninja Turtles. Mr Sam is drawing Master Shredder because he and Mr Jack have already drawn all four Turtles which our new “Preppie” has cut into little paper figurines and carries them in his pocket to take to school.

Every morning at before school care the kids can play a group game and on this day, they chose Cat and Mouse, where the group must form a circle holding hands and work together to protect the mouse from being eaten by the cat. In the picture below one of our new students Riley is the mouse trying to escape the cat.

Austin, Mia and Hallie learning all about Waitangi Day at after school care. We thought we would do our own version of Tamoko (tattoo face painting) and the children came up with their own designs, we also made masks and traditional Maori (Bone carving) necklaces out of salt dough.

Sam, Connor and Max making transformers out of our construction materials.

Grants and Funding for Youth - John Franklin Memorial Fellowship

The John Franklin Memorial Fellowship Trust was established in memory of Councillor John Franklin who passed away in April 1993. The Trust commemorates John’s love of life and his uniring involvement in the local community.

The John Franklin Memorial Fellowship is offered annually to enable young people to:

- Undertake study or research
- obtain relevant experience; or
Applications are open to young people 21 years or younger. Applicants must:

- reside in Mudgeeraba or the surrounding area; or
- attend school (or other educational institution) in Mudgeeraba or the surrounding area.

Applications are now open for the 2017 John Franklin Fellowship Awards.

The closing date for applications is Tuesday 28 March 2017.

How to apply:

Complete the John Franklin Memorial Fellowship Application Form below and submit by email, fax or post by Tuesday 28 March 2017.

Fax: 07 5581 5203

Sand Safari 2017

Surfers Paradise Alliance is excited to announce our next event, Sand Safari 2017!

Sand Safari, presented by Streets Ice Cream comes alive from 10 to 26 February. This year, the annual FREE Sand Safari Arts Festival is inspired by sand and sea and features giant colourful inflatable art installations that glow at night, huge sand sculptures, book readings with a Sand Safari mermaid plus so much more!

Head to the foreshore and see the nation’s best go head to head, tool to tool with the Australian Sand Sculpting Championships. See ten tonnes of sand transformed into intricate sand sculptures all inspired by the theme ‘mermaid and mythical creatures.’

From the 17 to 26 February, step inside the 50 tonne interactive sculpture have your photo taken and enjoy a FREE reading of the official Sand Safari book, Sandy’s Surfers Paradise Adventure. But wait that’s not all, there will also be children’s art displays, pop up art exhibits, arts and crafts… the list goes on!
