21 July 2016

From the Principal

Dear Parents, Carers, Staff Members and Students

We hope you had an enjoyable Winter vacation. Term 3 is a ten week term (11 July to 16 September) with the Gold Coast Show holiday on Friday 26 August. Term 3 is set to be another rewarding and exciting term with the School Musical ‘Hero’, Twilight Music Concert, Maths Bee, Spring Fair - our annual school fete which will be held on the last day of Term 3, U8’s Week, Fun Run, Japan sister-school exchange and much, much more.

Unexplained absences and same day messaging

Our school will be introducing same day messaging for all unexplained absences from this coming Monday 25 July. To avoid unnecessary text messages, parents are asked to ensure that all absences are communicated to the school prior to roll marking at 9am. Parents can notify the school in a number of ways:

- Leaving a voice message on the school answering service 5569 1777 (outside office hours of 8am-4pm).
- Phoning or visiting the office during office hours.
- Texting the school absence line on 61429659387 (please note this is a text only service).
- Emailing the office admin@mudgeerass.eq.edu.au
- Sending a note to the office with a sibling.
- Communicating with the class teacher.

If you do receive an unexplained absence message from the office, please ensure you respond as above so that we can ensure all students are accounted for on a daily basis.

Congratulations Year 4 Rugby League

Our Year 4A Rugby League team had an outstanding Interschool Sport season making the Grand Final which was played at Burleigh Bears against Burleigh State School on Monday night. The team was well supported by parents and staff and performed fantastically, unfortunately losing 40-10 in a skilful, tough entertaining game to watch. Congratulations to all of the boys and coaches Mr Taffs and Mitch Goldman on reaching the Grand Final and the manner in which you played the game.

Year 4A Rugby League Team 2016 Grand Final ‘Runners Up’:

Before and After School Expectations

Our school recognises that the work commitments of parents varies and that students may need to be dropped off early and picked up late. In this circumstance, AMAZE offers before school and after school care to support the needs of working
families where other arrangements cannot be made. Students
should not be arriving before 8:15am unless they are involved in
a supervised before school activity, such as Band, nor remain
at school after 3:20pm. Staff are not rostered to supervise
students before and after school as they are busy planning,
meeting and preparing teaching and learning for students.
Where possible, students should arrive and depart close to the
bell times of 8:50am and 3pm. Before school students are to
wait at the classroom areas or play hand ball in designated
handball areas. In the afternoon, students are to head straight
home or proceed to pick up areas.

Japan Visitors Coming 2-7 August

Our school has maintained a sister-school arrangement with
Hasuda, Japan for several years and we will again be hosting
19 students and 3 staff from Hasuda from August 2-7. I express
my thanks to the host families from our school who will be
caring for our visitors during the week. This program provides
both the Hasuda and Mudgeeraba School communities a
wonderful cultural opportunity with Year 6 students and staff
from Mudgeeraba visiting Hasuda at the end of September.

Facilities Update

Congratulations to the P&C who have been successful in
applying for $93,681 in funding under the 2016-17 Smart
Schools Subsidy Scheme to rejuvenate a number of outdoor
areas across our school over the next twelve months. Coupled
with the recently finished external painting of the modular
buildings, I am excited about the renewal of the proposed areas
for aesthetics, learning and play. Below you will find a concept
plan of the planned works submitted as part of the application
last year.

Nationally Consistent Collection of Data

Attached to this newsletter is an information sheet for parents
regarding the Nationally Consistent Collection of Data. This
annual collection counts the number of students with a disability
as defined by the Disability Discrimination Act. The data
collection also considers the functional impact of disability and
the school adjustment to meet the student’s need. Individual
student’s will not be identified. For further details please refer to
the attached fact sheet or contact our Head of Differentiation,
Natalie Wynn.

School Opinion Surveys

Parents, school staff and a random sample of students are
encouraged to have their say in this year’s School Opinion
Survey by providing their opinions about what this school does
well and how this school can improve. Each of the online
surveys are currently open and will remain so until Friday, 29
July 2016.

Access details for the Parent Survey have been sent home with
students.

Under 8’s Week at Mudgeeraba State School
August 1-5

Our 2016 Under 8’s Week is Monday 1 August to Friday 5
August. During the week, we will celebrate in various ways.
Information on the Pet Parade will be sent home with students.
Parents/Carers are welcome at each of the events and we hope
to see many of you!
Nude Food Strategy

I am constantly impressed by the initiative and enthusiasm of the students and staff at Mudgeeraba State School. This week I received a presentation from Year 4 student Louis G who has proposed that we introduce the ‘Nude Food’ initiative, a strategy to support healthy eating and reduce waste to create a healthy planet... NUDE FOOD = HEALTHY BODY + HEALTHY PLANET.

Louis’ presentation was so convincing that we are planning to trial this Nude Food strategy later this term. Nude food refers to the absence of packaging from foods and the use of reusable containers for food. The idea being that fresh unprocessed items are generally nude foods and that the reduction of packaging will also reduce landfill.

Further information about Nude Food will be shared in the next newsletter. In the meantime, check out Louis’ suggestion...

Upcoming Events

- **22 July:** Semester 1 Sports Awards Assembly (Years 4-6) 12:30pm
- **25 July:** - Year 1 Excursion Gold Coast Arts Centre Snugglepot & Cuddlepie (1T, 1BP, 1KD, 1E) - Year 4S Excursion Jacobs Well Aboriginal and Torres Strait Islander Studies - Year 6 Science Extension Robina SHS (select students)
- **26 July:** - Year 1 Excursion Gold Coast Arts Centre Snugglepot & Cuddlepie (1BR, 1D) - Year 3 Mudgeeraba Historical Village and Trail (3R, 3B, 3C) - Year 4KB Excursion Jacobs Well Aboriginal and Torres Strait Islander Studies
- **27 July:** PBL Years 4-6 Pyjama Day
- **28 July:** - Year 3 Mudgeeraba Historical Village and Trail (3KR, 3C, 3B, 3K) - Celebration Assembly 9-10am (note change of time)
- **29 July:**
- **1 August:** U8’s Week Tabloids
- **2 August:** - Japan visitors arrive
- U8’s Week Pet Parade (Prep & Year 3)
- **3 August:** District Track and Field (select students)
- **4 August:** - District Track and Field (select students) - U8’s Week Pet Parade (Years 1 & 2) - Music Twilight Concert 6pm in the hall
- **5 August:** - Whole school assembly 9am (hall)
- Fun Run 11:30am-1pm

Yours sincerely

Daniel Duke
Principal
Year 1

1E

This term the Mudgee Monkeys and all Year 1s are learning about stories and their structure. Students are discovering that books are written for a range of purposes and that stories are read for entertainment! Children have enjoyed listening to different stories and having the chance to review and compare them.

Monkeys, Cruz and Lara have different opinions about the book Blossom Possum. Read their book reviews to see if you would like to read the story. The Mudgee Monkeys know that it is okay to have different opinions and like sharing their thoughts with one another.

This week we have started reading Snugglepot and Cuddlepie and we’re really looking forward to seeing it on stage at the Arts Centre next week.

Year 2

2B

As it was NAIDOC Week last week we spent some time as a class learning more about it. NAIDOC Week is celebrated to recognise Aboriginal and Torres Strait Islander history, culture and achievements. It is celebrated throughout Australia early in July each year.

It was a week full of fun and interesting learning. Some of the things we did as a class to celebrate this special week were listen to some of the interesting Dreamtime tales, undertake some Aboriginal artwork and look at the Aboriginal flag and the Torres Strait Islander flags discussing the colours used in them. Then we got to create our own flags.

Year 4

4S

Rain, rain, go away

In Term 2 we went to bike safety. When we arrived we were asked to put our belongings away. After this we had a quick ride and had something to eat. It started to rain which was only the beginning. The boss said that we had to go back to school! Why? Because a storm was on the way! Rain, rain, go away, come again another day!

by Shontae B

Bike Safety

Last term our class went to Ashmore Bike Safety Centre. We learnt about riding bikes out of school, how to be safe on our bikes on the road and what to wear. We went to the garage to get our bikes and helmets, then got to ride our bikes on the track. We had morning tea but it started to rain heavily so we left our bikes and helmets in the rain and got on the bus back to school. We didn’t get any free time riding. On the way back in the bus, we waved to the people we went past and lots of them waved back. We were going to go back later that week but they had bulldozers coming so we are going back on Friday 22 July. We are so excited.

Spring Fair

On the last day of school this term we are going to the Spring Fair.

Last year the Spring Fair was incredible! From rides to stalls, every class has a stall to run for everyone to enjoy. The P&C are raising tonnes of money for our school.

It is going to be so much fun as we are going on lots of rides. You get to hang out with your school friends. Hopefully everyone will have an awwwwsome time!

It is only in 8 weeks’ time. Please come and join us this year. See you there.

GO SPRING FAIR!

by Caitlin B, Paige K, Moira W, Jake P

The Big Game

Our Year 4 Rugby League team got to the Grand Final for Interschool Sports this year. It was so exciting. We were versing Burleigh State School. Cooper and Hunter scored and we put up a massive fight. We were very sad to lose but we know we tried our best.

by Nic F, Cooper W, Brock W

Music Program

There is an extra Vocal rehearsal on Monday 25 July (Week 3) starting at 10:30am. The timetable can be found on the Music Room window. All Vocal Group members are required from 1:40 to 3pm. We will be rehearsing pieces for the Twilight Concert and Japanese Assembly which are in Week 4.

Good luck to all Mudgeeraba State School students who are performing in the Vocal Solo section of the Gold Coast Eisteddfod from July 30 to August 2. Lahlula, Amy, Chloe, Lana and Jemma.

ICAS

The International Competitions and Assessments for Schools (ICAS) is an independent, skills-based assessment program which recognises and rewards student achievement. ICAS is unique, being the most comprehensive generally available suite of academic assessments for primary and secondary school students.

For those who have registered, the English ICAS will be conducted on the 2nd August and the Mathematics will be conducted on the 16th August.

Opti-MINDS

The Opti-MINDS Challenge has begun! Mudgeeraba SS has entered 4 teams of 7 students from across year levels 3 to 6. The Opti-MINDS Creative Sustainability Challenge is an inclusive team challenge which EMPOWERS participants to THINK, CREATE & COMMUNICATE. Opti-MINDS is a creative problem-solving event for teams of up to 7 participants. Teams will work over a 6-week period to present a solution to a Language and Literature, Maths and Engineering or Social Sciences challenge. The final presentation will be conducted at Griffith University on the 28th August 2016. Good luck to all Mudgeeraba teams.

STEM Conference

On the last day of term, ten Year 5 students were fortunate enough to attend the inaugural STEM Conference at Griffith University. Students were able to participate in a number of exciting science experiments including looking at medieval warfare, creating glowing slime, making LED throwdowns and many other fun and challenging experiments. Students also had the opportunity to hear from a scientist who had worked on the particle accelerator at CERN. This was a wonderful opportunity for the students and the University is looking to make this an annual event.

Chappy’s Corner

Welcome back, and here we go into the second half of the year with Term 3. Hasn’t it gone fast? I hope everyone had a restful break, and have lots of great memories from the holidays to tell for years to come.

At the end of last term, Ks4Kids was held on Saturday 18 June. The sun came out making it a great day with family and friends, high flying each other as we walked along the beachside track. We had 30 registered participants and raised $873.48 for our school’s Chaplaincy services. Thank you Mudgee State School, for all of your support.

From the P&C

Mudgeelicious Menu

Welcome to the Mudgeelicious Term 3 Menu.
We are open Monday to Friday 9:30am to 2:00pm, serving Morning Tea and Lunch to students and staff.

We offer a range of nutritious meals, snacks and drinks that comply with the “Smart Choices” guidelines.

You can order before school or your child can place their order in the tuckshop box in their classroom.

We also have easy Online Ordering.

**SCHOOL DRESS CODE**

Mudgeeraba State School is proud of its uniform. We have the support of our Parents and Citizens’ Associations to promote 100% adherence to the uniform. Our student dress code reminds all of us that students, teachers, and other adults around us all have a role in ensuring that the school’s uniform is worn and respected.

- Students must wear a t-shirt, a jacket, a school shirt, or a school dress, and a tie when required.
- Students must wear a hat, sunhat, or umbrella when required.
- Students must wear sunblock, sunglasses, and a hat when required.
- Students must wear gloves, scarves, and beanies when required.
- Students must wear a school bag when required.

- Not to be worn

### Unacceptable Footwear Examples

- Coloured or decorated shoes
- No other shoes
- Not to be worn

---

**The P&C Association Uniform Store prices at 92% will vary according to your current prices without prior notice.**
Please be advised that payments for Excursions, Incursions and School Camps will NOT be accepted after the cut-off date.

To ensure that parents/caregivers are given as much notice as possible your child’s teacher will receive regular financial reports showing who has/has not yet paid, excursion cut-off dates will be published fortnightly in the newsletter, the school office will send a text message to relevant year levels to remind parents of the cut-off dates and communication will be made to parents/caregivers by the class teacher if payment remains outstanding prior to the cut-off date.

To assist families in making sure payments are made prior to cut-off dates, parents/caregivers are able to make deposits into the school’s account to accumulate a credit balance which can then be applied to excursions, incursions and school camps as they arise. This credit balance can also be achieved by arranging a Centrepay deduction. Please come to the school office to complete a Centrepay Deduction form.

If paying for excursions etc. is financially difficult, please speak with one of the Deputy Principals before cut-off dates.

The Payment Window is open on Mondays, Wednesdays and Fridays between 8:00am to 10:00am ONLY. Cash or Eftpos will not be accepted at any other time.

For your convenience internet banking can be made at any time - Please note that Direct Deposits must be made at least 2 days prior to the cut-off date. If your payment has not been received by the cut-off date your child will not attend the excursion, incursion or camp.

Providing Medication to the School

Before you provide the school with your child’s medication, check the expiry date to ensure it is in-date and there is enough for the agreed time period. It is also a good idea to take a note of the expiry date so that you can replace the medication before it expires.

Please note, school staff will not administer medication that you can buy over-the-counter at chemists and supermarkets (e.g. paracetamol, eye drops, cough syrup) unless it has been prescribed by your child’s qualified health practitioner. For example, the school would administer paracetamol to a student only if it has been prescribed by their dentist to be taken for a short time after dental treatment.

School staff are bound by these regulations and we hope that all parents will acknowledge and cooperate with these rules. It is safer for all students if you can provide medication to the school in person (rather than send medication with the student). If you can’t provide the medication in person, contact the school to determine the easiest and safest approach for the school to receive the medication.

If you believe your child is capable of self-administering their own medication at school, please contact the office.

When your child’s medication is no longer required to be kept at school, please collect all unused medication.

For your convenience please find attached a copy of the permission notes relating to the above mentioned excursion.

Excursion / Incursion | Year Level | Date of Event | Payment Cut-Off | Amount
--- | --- | --- | --- | ---
Camp - Midginbil Hill Outdoor Ed Centre | Year 3 | 3KR,3C,3B,3K - 9/8 to 10/8 3D,3G,3R - 11/8 to 12/8 | Payment no longer accepted | -

Office staff will ask you to complete and sign Section 1 of the Administration of medication at school record sheet.

N.B. If your child requires more than one medication, you will need to complete a form for each medication.

• Has been prescribed by a qualified health practitioner (e.g. doctor, dentist);
• is in its original container;
• has an attached pharmacy label.

Administering Medication at School

If your child requires staff to administer medication to your child at school, please contact the school office in the first instance to discuss your child’s requirements.

Please note, school staff will only administer medication that:

- has been prescribed by a qualified health practitioner (e.g. doctor, dentist);
- is in its original container;
- has an attached pharmacy label.

For your convenience please find attached a copy of the permission notes relating to the above mentioned excursion.

The Administration of medication at school record sheet is no longer required to be kept at school, please collect all unused medication.

For your convenience please find attached a copy of the permission notes relating to the above mentioned excursion.

The Payment Window is open on Mondays, Wednesdays and Fridays between 8:00am to 10:00am ONLY. Cash or Eftpos will not be accepted at any other time.

For your convenience internet banking can be made at any time - Please note that Direct Deposits must be made at least 2 days prior to the cut-off date. If your payment has not been received by the cut-off date your child will not attend the excursion, incursion or camp.

Merrimac State High School Enrolment Evening

40 Years of Hinze Dam

Celebrate Water
Our past, our future

Join us to celebrate 40 years of Hinze Dam

Come along to the Hinze Dam Visitor Centre on Saturday 23 July, 2016 from 10am to 4pm to be part of the fun.

There are lots of great activities planned for the whole family, including music with Blue Pappy and Midnight Grove, botanical and catchmentCreate a fun interactive science show for kids and plenty of food stalls and displays.

The history of the water supply in South East Queensland is a fascinating one—from the construction of Brisbane’s first dam, Exmouth, to the development of the SEQ Water Grid.

Some of the dams are celebrating milestones birthday this year, and we celebrate our Year 7 students, we want to celebrate water with you community.

Find out more at seqwater.com.au/get-involved

Free Playgroup Membership for Queensland Families

All Queensland families who register with Playgroup Queensland before their child’s first birthday can now receive a free 12-month family membership as part of the Queensland Government’s Play Stars initiative. With more than 60,000 babies born in Queensland each year, Play Stars will benefit many new families by creating more opportunities for children to learn through play, while supporting parents and carers in their role as first teachers.

The Play Stars initiative is an action from the Advancing education: An action plan for education in Queensland and will be delivered in partnership with Playgroup Queensland over the next five years. Register online or visit the Playgroup Queensland website for more information.
