Under the agreement for 2015
Mudgeeraba State School will receive

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Increase the percentage of students at or above the NAPLAN National Minimum Standard in Year 3 and Year 5 to 100% across all NAPLAN Strands.
- Deliver NAPLAN Upper Two Band (U2B) performance comparable to National achievement in all NAPLAN Strands.
- Increase the percentage of students achieving a ‘C’ standard or above in Reading, Writing and Number by a minimum of 5% across all year levels.

Our strategy will be to

- Provide focused and intensive teaching for students requiring additional support, and extension, to realise potential at, or above, year level achievement standards.
- Employ a Speech Language Pathologist (0.2FTE) to establish a structured oral language program for implementation by teacher aides.
- Enhance ICT infrastructure to support assistive technologies, including BYOD, and resources to support 24/7 learning.
- Provide professional development through mentoring and coaching to ensure teacher proficiency in delivering High Yield and Explicit Instruction strategies, and with establishing effective goal setting and feedback loops (in short term data cycles).
- Build teacher capability in gathering and using evidence to differentiate curriculum and assessment, and to successfully implement ambitious but achievable individual curriculum plans.

Our school will improve student outcomes by
